

# 50% Off It's not too late!

There are still plenty of hot days ahead. And those dog days of August are yet to come. Maybe you are thinking, "I should have joined the pool, but now half the season is gone!"

Well...

The pool is still an inviting, refreshing, relaxing way to beat the heat. One dip in the cool water will renew your whole body! It is great exercise too!!

And right now, for a limited time, we are offering the remaining season for half price. That's right. You can still join and only pay for the last half of the summer. What a great deal!! There is still a lot of summer left. Come and enjoy it at Northland Swim Club.

Here are our half price rates:
